Nirvana procures small-batch wines and menu ingredients sourced from natural, sustainable, biodynamic, and organic producing artisans, farmers, and winemakers, whenever possible. We seek the highest quality product at the best possible pricing and pass any savings on to our guests. Nirvana offers exceptional wines at half-off every day. We have established the Nirvana Market, an organic produce collective.

Nirvana food is simple, fresh, honest, and founded on relationships. The cheeses and charcuterie are crafted by award winning artisans. Our winemakers' families have farmed the land and planted the grapes. We support farmers and fishermen who work sustainably with the earth.
